

PROFESSIONAL CERTIFICATE

CLOUD+

iFundi Professional Certificate Programs are shorter duration, non-accredited courses that provide practical, introductory-level skills, leading to careers. They are a good starting point for individuals prior to commencement of longer duration, QCTO accredited qualification programs.

CompTIA Cloud+ validates your skills in cloud infrastructure, making it the industry standard for professionals working in multi-cloud environments. CompTIA Cloud+ equips you with the hands-on skills you need to excel in cloud operations and advance your career in the growing field of cloud computing.
