

PROFESSIONAL CERTIFICATE

HUMAN RESOURCES MANAGEMENT & LABOUR RELATIONS

iFundi Professional Certificate Programs are shorter duration, non-accredited courses that provide practical, introductory-level skills, leading to careers. They are a good starting point for individuals prior to commencement of longer duration, QCTO accredited qualification programs.

The Professional Certificate in Human Resource Management and Labour Relations offers a comprehensive overview of the HR function within an organisation.

Program Outline

- Strategising, structuring and planning HR activities
- Staff recruitment, selection, appointment, placement and induction
- Performance and compensation management
- Occupational health and safety compliance
- Career management and human resource development
- Organisational behaviour
- Employee relations
- Collective bargaining and dispute resolution
